

Lecture 37: More Review

This lecture consists of some review questions about streams and iterators. See <http://inst.cs.berkeley.edu/~cs61a/sp14/slides/lect37.py>.

Announcements

- The CSUA is holding an 18 hour hackathon starting 5/2 at 7pm in the Woz. Prizes include 27" monitors, mechanical keyboards, external HDs, and more. Food will be provided throughout.
- HKN surveys on Friday, 5/2. Points offered for filling out the survey.
- If you think you have been given a deadline extension on a project or homework, *please check* using `glookup -t`. Also use this to check for surprises (assignments you didn't think were late, but are).
